

BIKE ROUTE

Both 10 mile & 30 mile riders will START on Watford Parkway, located at the Canton Multipurpose Complex, then will soon cross over Highway 22, onto Virilia Road (Watford Pkwy turns into Virilia Road). The race course continues on Virilia Road (out and back).

Aid Station #1 will be at the **5 mile** mark - *10 mile riders will turn back toward the START/FINISH at the Canton Multipurpose Complex*

30 mile riders - continue on Virilia Road, until you reach the 2nd water station (at mile 15) located at the entrance to Kearney Park Farms on the corner of Ergon Rd & Virilia Road. If you make it to Livingston Vernon Road, you've gone too far.

***Note: there are two sections of gravel road (about .2 miles) that riders will need to walk. Approximate location is indicated on the map by a skull & cross bones ;)**
