**Please Read the Following Information Carefully.**  
**It contains important information about**  
**Good Samaritan Center's Christmas Assistance Program.**

This is a reminder that this Christmas program is an assistance program of The Good Samaritan Center. It is NOT a “free toy giveaway.” This means that families applying for assistance must show a verifiable need for help. Good Samaritan also requires that ALL parents show that they are either disabled, working, in school or in a training program. This means parents must have and be working on a plan for improving their family situation.

If you have come to Good Samaritan without all required documentation or a plan for improving your family situation, you will NOT be able to put in an application.

If you receive assistance from family members, significant others, friends, etc., you must provide written documentation from that person (statement including person’s name, address, and contact#). This information must have been previously turned in to the Department of Human Services. We will verify and check all information in each application.

Don’t forget to bring a wish list for each child that includes clothing and shoe sizes. Since Good Samaritan will (as a minimum) provide \$75 worth of gifts per child we will need a wish list that is extensive and inclusive of many types of gifts (gifts of varying value). In general, we need to know the types of things your child likes. We cannot guarantee any type of gifts or that your child will be adopted.

Please be clear that we will verify ALL information given to us by every client. Any deception or any failure to tell the entire truth of a household situation will result in your Christmas application being DENIED. If you, the child, or the children you are applying for are found on ANY other organization’s list for Christmas Gifts or Christmas Food Baskets your Christmas Application WILL BE DENIED AND YOU WILL BE BANNED FROM FUTURE CHRISTMAS ASSISTANCE AT THE GOOD SAMARITAN CENTER. That said, please be honest about your household makeup and financial situation. It is the only way that Good Samaritan can help your family.

A thank you note is a very gracious way to show your appreciation for the assistance you might receive. If you are unsure of who to make your note out to you can send it to the “Staff and Friends of Good Sam.”

Thank you for your cooperation and we hope to bring your family a Merry Christmas!
